

Sessions

This set of pages contains the in-class materials we will be using.

You can browse the materials for each Session on this website, but for class you need to download these materials and datasets.

Session 1: Getting started with R

[Download Session 1 Materials Here](#)

Session 2: Functions and Data Wrangling

[Download Session 2 Materials Here](#)

Session 3: Data Exploration & Visualization

[Download Session 4 Materials Here](#)

Session 4: Modeling

[Download Session 4 Materials Here](#)
